## FOREWORD . . .

The sifting sands of the hour-glass have reached the midway mark . . . our civilization is halfway into the twentieth century. These first fifty years have been memorable ones filled with change and invention. The next fifty . . . ? We can only guess what scientific magic will be performed.

It is fascinating to look into the past and future, but it only brings more sharply into focus the incidents of the present. We give you Mid-Century MAD-ness with the hope that we have captured the spirit of today . . . 1950 . . . a year which will remain for all of us . . . unrivaled and unforgettable.

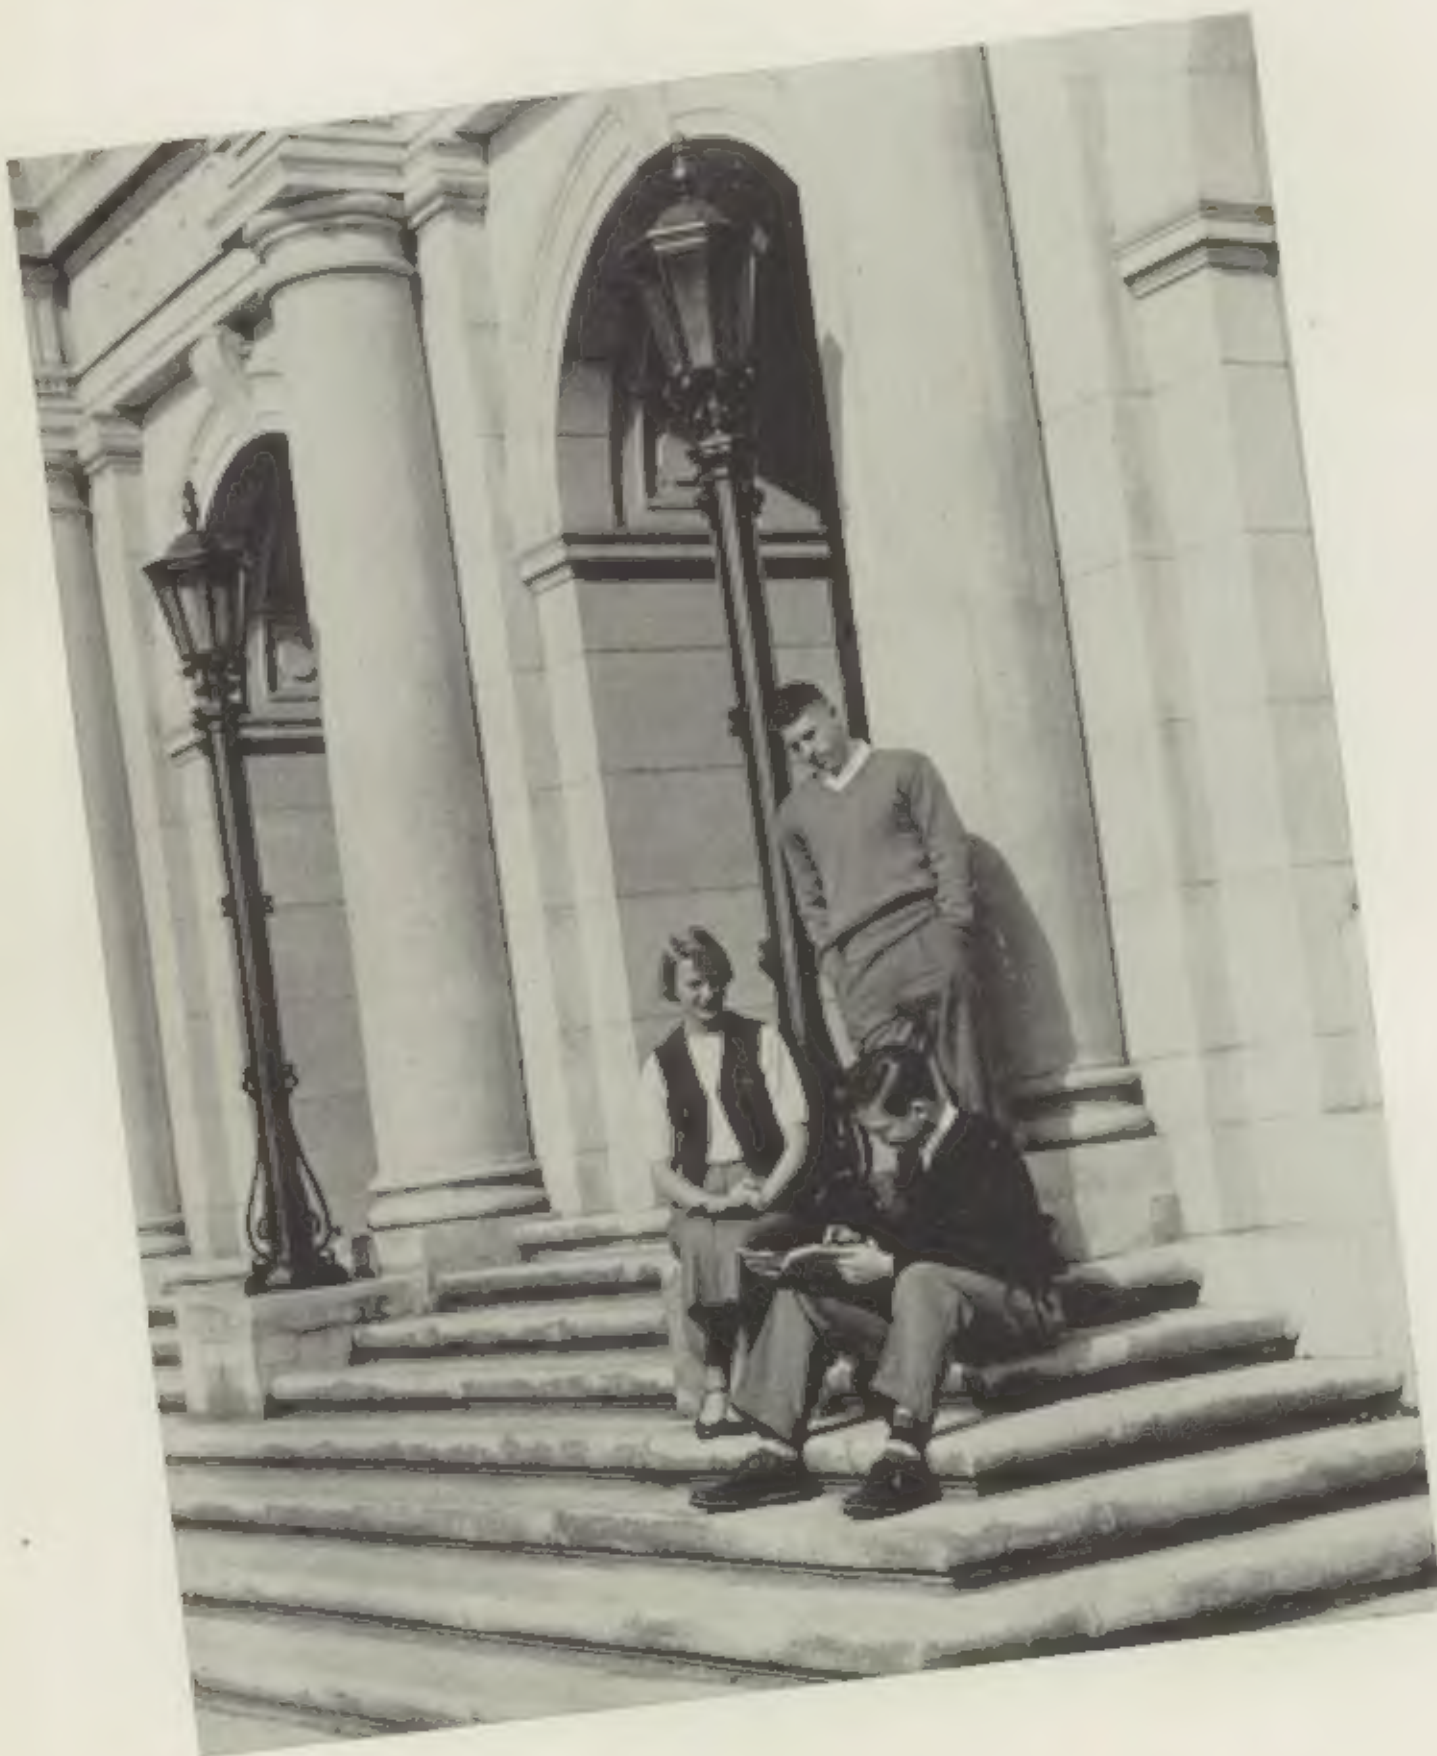

## DEDICATION . . .

As all loyal service should be recognized, so too should the time and effort willingly spent by our faculty advisor be brought to the attention of all in this his final term as yearbook representative of the administration. Few have realized the difficulties and responsibilities accompanying this position. Throughout the past eight years he has kept his warm sense of humor, his good judgment, and his liberal policy of student guidance. Those who have known and worked with him appreciate his real ability. With affection and high regard we dedicate our Mid-Century Annual to . . .  
MR. THOMAS W. GRIFFIN.

## SUPERINTENDENT-PRINCIPAL . . .

### *Patient and Praiseworthy*

Through the successful guidance of our principal and superintendent, Mr. Stanley McClintic, our Mid-Century spirit has been elevated to a new peak. Keeping the welfare of the growing student body in mind, he has helped to make this year one rivaled by none in the history of the school. Through his effort to serve us, Mr. McClintic deserves the respect and admiration of every MADite.

He has been successful in many of his efforts and has won the respect and admiration of all who know him.

## DEAN OF GIRLS . . .

### Sincere and Sympathetic

Known for her keen interest in the individual student and student body as a whole, Miss Ruth Foreman is an outstanding figure in the school. She is a sincere and sympathetic leader who is willing to give her time and energy to help the girls of the school find their place in the world.

## DEAN OF BOYS . . .

### Understanding and Untiring

Mr. Robert Manning has brought to the school a new spirit of understanding and untiring effort. He has been successful in many of his efforts and has won the respect and admiration of all who know him.

## COUNSELORS . . .

### Tactful and Tolerant

From the beginning to the end of our high school career our counselors, Miss Clytis Cummins and Mr. Glenn Grout, have encouraged and directed us in our proper courses of study. Their object is to produce for all a well adjusted life after graduation.

## RESEARCH AND GUIDANCE . . .

### Helpful and Hardworking

New to MAD this year Mr. Henry Molino has motivated many ideas and activities. In his capacity as Director of Research and Curriculum he was instrumental in arranging many field trips. He was also responsible for administering Iowa tests to the sophomores and seniors this year.

## ATTENDANCE OFFICE . . .

### Considerate and Competent

The unselfish guidance of newly appointed Director of Child Welfare, Robert Mackey and the Attendance Office Staff Peggy Wright, Mrs. Lewis, and Charlie Kramer, has done much to create better conditions and standards of attendance in our MAD world.

## A.S.B. PRESIDENT . . .

### Warmhearted and Willing

During the A.S.B. election campaign, we were fortunate to have had the opportunity to know and meet our new president, Bunny Gillett. Bunny has truly lived up to his pledge of sincerity, making MAD life his life. Many of our "Hi Week" and "Hi Week" were a part of our Gillett administration. His honest effort and sheer hard work have justly earned for him the high honor of being top man in our Mid-Century world.

## A.S.B. CABINET . . .

### Spirited and Steadfast in Purpose

The A.S.B. Cabinet, which was elected to office, has been a very successful one. They have been very active in solving many school problems in the past year. They have been very helpful in many ways. They have been very successful in many ways. They have been very helpful in many ways. They have been very successful in many ways.

### Diplomatic and Dependable

This year's necessary double assembly program has brought with it added duties for our vice-president, Richard Humble. His responsibility, however, has been presiding over the House of Representatives. Accomplishing his work with a diligence found in few, 'Rich' has been looked upon as one of our finest vice presidents.

# DEMOCRACY

## HOUSE OF REPRESENTATIVES . . .

### Active and Able

Acting as a link between the students and the administration, our House of Representatives was an excellent example of democracy in action. The newly elected members together with the four campus officers worked in harmony to maintain a well organized government.

The yearbook of the high school is a record of the life of the school during the past year. It is a record of the achievements of the students, of the work of the faculty, and of the life of the school as a whole. It is a record of the things that have happened, of the things that are happening, and of the things that are to happen. It is a record of the life of the school, and of the life of the students who are a part of it.

BETSY ROTHWELL  
Mathematics Freshman  
HOWARD SANGER  
Mother's Day Freshman

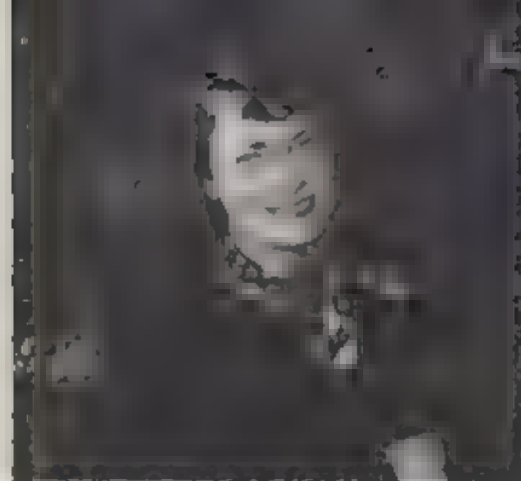

The year marks the beginning of a new chapter in the history of the school. The year is a year of change, a year of growth, and a year of achievement. A year of personal coaching of Mrs. Margaret Wood, for the year is a year of growth that will be long remembered.

But the year is a year of growth, a year of growth in the Star in the Window, a year of growth in the good fellowship and cheer of Christmas.

Remember. If I'm a sophomore how have a mother who's a freshman? No one can easily forget that line or the clever soul who wrote it.

The three act comedy "Mother Is a Freshman"

As so long remembered will be the captive and League play "Every Family Has One" which created much laughter and approval. The year is a year of growth, a year of growth in the Star in the Window.

As its name implies, the KEY CLUB actually does serve as a means for opening doors...doors of opportunity for boys who show certain abilities

ship. One of MAD's most important service clubs, it is sponsored each year by the National Kiwanis Club. The group's weekly meetings, which featured pot luck dinners, have been ably presided over this year by Ian Campbell

Organized to train young Americans in the ideals and mechanics of government

JUNIOR STATESMEN organization had a year filled with achievement and activity. With Mr. Kenneth Scheel as faculty sponsor and Judy Tietz as group leader, the group took a deep interest in campus problems and sent delegates to the district and state convention

Organized to promote better sportsmanship in all athletic contests the BLOCK M took shape and was molded into one of the most outstanding Mid-Century Clubs for boys. Providing the necessary leadership, "Dink" Walker and Everett Adams planned activities that were well enjoyed by the members. The club is restricted to those athletes earning 300 points in competitive sports.

Mr. Burcham and his green-lad STAGE CREW deserve an unlimited amount of credit for the success of the 49-'50 plays and assemblies. Although they work behind the scenes the results of their efficiency have been apparent in all MAD productions.

# PROGRESS THROUGH PASTIMES

For the past year, the leading group has been the CALIBRE. They have sponsored a winter dance throughout the year. Advisor Mrs. Marion Michel and President Kazon Montgomery were their leaders.

Photography as a hobby was the purpose of MAD's CAMERA CLUB. To the fulfillment of this end, Mr. Henry Molino and his "shutterbugs" added a dark room and photographers' laboratory to the group's equipment and also sponsored several popular snapshot contests.

Mary Griffith

At the Piano Club, students enjoy the enjoyment of music. Students particularly interested in an outside field of the PIANO CLUB. Taking active part in assemblies and other programs have gained both experience and pleasure under the guidance of President Jo Burns and sponsor Jut Williams.

MAJORITY of the club possessors of one of the most complete WEATHER BUREAU units in Southern California. While predicting the weather and other weather-related activities, students have gained both experience and pleasure under the patient guidance of Mrs. Dunson. Several valuable field trips and other meetings were planned through the leadership of head 'weather-watcher' Bob Ellis.

Just as visual education is an important part of the curriculum, the PROJECTION AND AMPLIFIER CREW has been organized to provide the necessary film

by Mr. Burcham to the school for doing such a commendable job.

## PEPCATS AND BAND

Working together, the Pepcats and marching band this year produced the finest football halftime activities the school has ever seen. The many new formations and routines made the student body justifiably proud of every one of them.

Mr. Evan Williams, the new band director, is to be credited with most of the success of this year's performances. Coming to us from Escondido Union High School, he added new spirit and life to the band.

The Pepcats with Carol Sharrai as their president were the cutest and peppiest ever. Mrs. Yenney again supervised the girls and did a marvelous job.

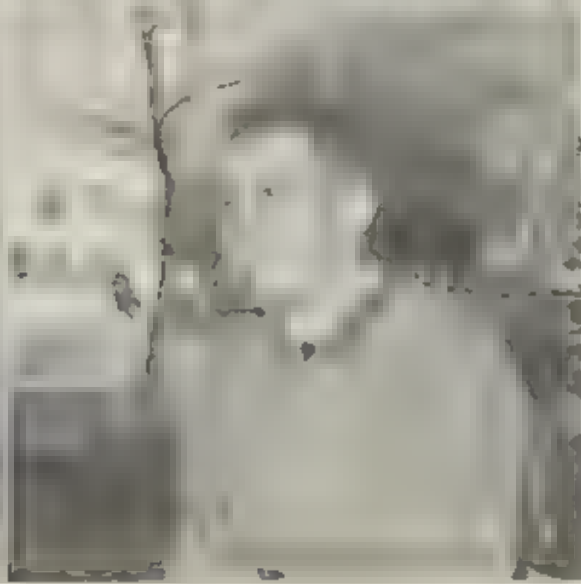

One of the cleverest routines the group did was Brass Band Boogie. This and many others will linger among our memories of the '49 football season.

## VARSITY TRACK

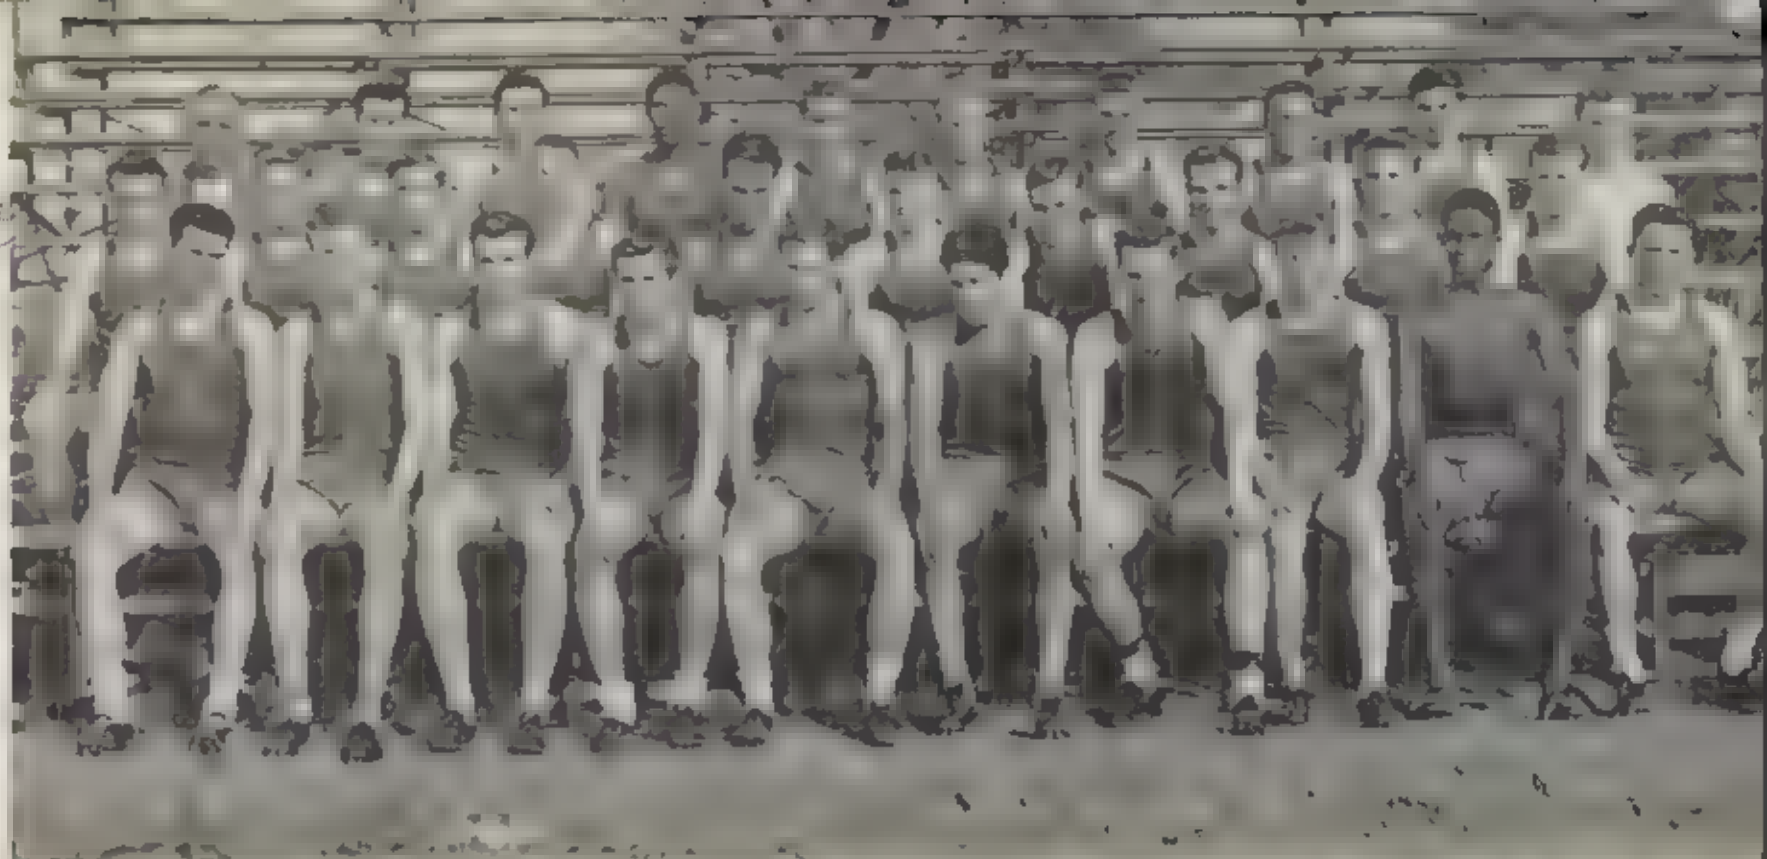

A varsity track team with a few individual stars and absolutely no depth represented the MAD Green Tide on the cinderpaths this season. As the sport season deadline nears, the Eugene McAlister coached cinder-burners have run up a string of 3 wins and 1 defeat. The Cats claim victories over Bel Gardens, Covina, and Burroughs. The lone defeat was administered by the Burbank Bulldogs in a very close meet decided by the relay. Outstanding on this year's squad were Chuck Hoggatt, and Bob Bills. Chuck rewrote a new school record in the Bulldog meet with a 15.4 running of the 120 yard high hurdles. Bob has threatened the long standing 100 yard dash mark of 10 flat with a personal 10.2 mark.

The MAD sports world can unhesitatingly boast of this year's Varsity tennis crew. As the Annual goes to bed, Coach Charles Copeland's wonders have chalked up a four win-two record, and are second in League standing to their traditional athletic rivals from South Pasadena.

Main man of the racquet wielders thus far has been Dick Vandervoorts, who has waded through the six matches without a defeat. The doubles combo of John Hightower and Bob Nicholson follow closely behind Dick for team honors.
